

Constituent Society Membership Criteria 2016

Criteria to becoming a Constituent Society Member are:

- 1) Provision of different curricula for different professions to use hypnosis only within their own disciplines.
- 2) A minimum of 200 hours training is provided for those using hypnosis in psychotherapeutic settings.
- 3) A minimum of 50 hours training is provided for those using hypnosis as an adjunct.
- 4) The Society offers 50 hours of supervision for those using hypnosis in a psychotherapeutic setting.
- 5) The Society offers continuing education.
- 6) The Society only offers full membership to the following professions: physicians, dentists, psychologists, state registered psychotherapists and other state registered health professionals such as nurses, midwives, social workers and speech therapists with a recognised degree in their own discipline.
- 7) The Society abides by the ESH Code of Ethics.
