

European Society of Hypnosis

In Psychotherapy and Medicine

Benefits of ESH Constituent Society Membership:

- Membership of ESH means belonging to the oldest and largest European Society in the field of hypnosis, subscribing to rigorous professional standards in practice, training and research.
- Membership of ESH offers clear evidence of professionalism to national Governments and Institutions, especially in countries where a legal basis for clinical hypnosis is still developing.
- Membership of ESH provides Member Societies with the opportunity to shape the outlook of hypnosis in Europe by a corporate investment in its future.
- Membership of ESH entitles Member Societies to send delegates to the Council of Representatives of ESH, its legislative body.
- Membership of ESH gives access to the combined talents, skills and expertise of all its Constituent Societies.
- Membership of ESH confers all the benefits of ESH to all of your Members.
