To all ESH CoR Members

Dear All

I still have, fresh in my memory, the CoR meeting we had in Paris: the sweet flavour of the cake and the harmonious sound of your voices.

I want to thank each of you who has dedicated his / her time to the Meeting and who has expressed his / her ideas in the focus group selected. It is really important for us to know your ideas regarding what you want from ESH and how the ESH Board can help you. Now, after your answers to the Questionnaires and your participation in the focus groups, we have several topics to work on the next two years.

We are satisfied that the new format of the CoR Meeting got your appreciation. It is important that we find common objectives to work on for the future evolution of ESH.

Here you have my PowerPoint presentation, the Minutes, the answers to the Questionnaires and the results of your Evaluation of the Meeting.

I invite you to keep the contact with ESH and continue to give us ideas, contribution, and incentives.

I wish you a lovely Autumn!

Warm regards

Consuelo Casula
